About Us

MITESH RATHI CLASSES was established in the year 2002, with the aim of providing quality education and to give the right guidance to the students, so that they can excel in various competitive exams along with their respective School and Board exams.

MRC is a leading coaching institute in Bhopal for the preparation of JEE-Main, JEE-Advanced, Board, and School exams for classes 8th to 12th. We focus on building a strong foundation of knowledge and concepts in students, which provide them an excellent platform to outshine in various examinations.

The persistent efforts, dedication, and sincerity of teachers and students have resulted in giving the highest number of selections in JEE-Main and JEE-Advanced in the city in the past many years. We have given wings to many dreams. It gives us immense pleasure to see an endless list of successful students who trusted us and that we did our best to guide them to move in the right direction. We inspire and motivate students on a path of mega success.

We provide the best facilities and the right opportunities to foster a rich intellectual climate, enabling students to rise and shine in all their future endeavors.

Our

Vision

"To become a stepping stone to prestigious Engineering colleges not only for the brilliant but also for the average students through our dedication, belief, and determination toward transformation."

Our

Mission

Our mission is to surpass success and epitomize brilliance in education, which will be achieved by :

- A lucid & scrupulous methodology.
- A meticulously designed test series.
- Transparency in our commitment.

WE ARE PROUD TO BE LED BY

We have been one of the largest and most successful training institutions in M.P. for over a decade.

We have fueled the aspirations of more than 25,000 students, with the vision of nurturing IITians by imparting quality education in a well-planned manner. It is an institute for bright, young minds who are seeking a future in engineering, particularly from the IITs. As a causeway to IIT-JEE, we simultaneously prepare our students for various reputed engineering entrance exams.

We inculcate the right attitude, approach, and analytical thinking process in our students by following a step-by-step method, thus achieving a high degree of clarity. While focusing our sole attention on individuals & their future success, we strive to cultivate IIT achievers out of average students.

We have achieved results due to our dynamically evolved system and our hunger for continuous improvement. The difference between us and other institutes lies in our technological, skilled & result-oriented education imparting system. That's why students perceive us as 'Trendsetters'.

When the students join us, we don't just teach them, we guide and nurture them to become winners. The joy of achieving maximum results from Bhopal over time and witnessing the satisfaction on a child's face is the greatest reward any institute can receive.

Hope to witness many more such rewards & wish you the best in your future endeavors!

Mr. Mitesh Rath

Special Features

INTRODUCTION

MITESH RATHI CLASSES, one of the leading educational institutes with a commitment to facilitate the preparation of competitive exams, is introducing a School integrated program in association with a CBSE School. The core objective of this program is to provide an effective coaching for JEE-Main, Advanced, Board, & School Exams under strict supervision of the institute.

WHAT IS OUR SCHOOL INTEGRATED PROGRAM?

- This program will be a well-planned, firm synchronization of the JEE-Main & Advanced studies with the School & Board level exams.
- This program will ensure the preparation of students under the supervision of the finest faculties for JEE-Main, Advanced, Board & School exams.
- This program will eliminate the pressure on the students, which develops due to insufficient availability of time required for self-study.
- This program will unlock the extra time needed for self-study. This will strengthen the students to achieve success in JEE-Main, Advanced, Board & School exams.
- This program will provide systematic and structured study material to cover the entire syllabus of JEE-Main, Advanced, Board & School exams.
- In this program, the preparation of students will be continuously assessed with the help of well-designed test series. This test series program includes JEE-Main, Advanced, Board & School level tests which are designed to meet the needs and cover the important aspects of these exams.

BENEFITS OF THE PROGRAM

- Students enrolling in this program will get an integrated study plan for JEE-Main, Advanced & Board exams.
- Students will be trained by the finest faculties for JEE-Main, Advanced, Board & School exams.
- Students will get adequate time for self-study and to strengthen their skills in various dimensions.
- This program will bring remarkable improvement in the performance of students in JEE-Main, Advanced as well as in School & Board exams.
- Parents will benefit from continuous and comprehensive monitoring of their child by the institute.
- This program will save parents from hassle and inconvenience caused by problems faced by the students such as :
 - (a) Lack of time for self - study. (b) Variation in syllabus of School and Coaching.
 - (c) Weak performance in School & Competitive exams.

Special Features

COMPUTER LAB FOR JEE

We provide MRCians with the best preparation and testing tools. To support this, we have started a Computer Lab for JEE-Main & Advanced.

The Computer Lab for JEE will help students assess their JEE-Main & Advanced preparation and provide a real JEE experience. This will enable our students to learn practically how to approach the actual JEE.

VIDEO RECORDINGS FOR MISSED CLASSES

MRCians can watch recorded classes on the MRC Online App to address backlogs, recover missed classes, revise anytime anywhere.

ONLINE TEST SERIES

With the objective of providing all JEE aspirants with a complete JEE online test preparation experience, we have introduced an online test series.

The Online Test Series is designed to cater to all the needs of JEE aspirants who are not a part of MRC Classroom program. These online test series comprises of tests in Physics, Chemistry and Maths, all based on the latest IIT-JEE pattern and syllabus.

This test series is prepared by our experienced faculty members and includes all the expected types of questions. They also ensure thorough and pattern-proof preparation.

BENEFITS OF ONLINE TEST SERIES

1. Online test series will provide the students with a unique opportunity to assess their potential compared to other IIT-JEE aspirants.
2. Test series is designed to develop problem-solving skills and serves as a great tool for regular practice. It provides an opportunity to assess preparation, identify weak areas, and strengthen student's skills to excel in the actual examination.
3. The online test series provides flexibility to students to take tests anytime and anywhere.

“All of us do not have equal talent. But all of us have an equal opportunity to develop our talents.”

Dr. A.P.J. Abdul Kalam

Why MRC

FACULTIES

The strength of MRC lies in its experienced, highly qualified, competent and full time faculty members, meticulously chosen to maintain the best standards in teaching. They are a treasure trove of knowledge possessing sound credentials, well-versed in the IIT-JEE examination pattern and skilled in building students' confidence to face challenges.

COMPLETE STUDY MATERIALS

Our team has developed the finest study material which is regularly updated for various Competitive, School and Board exams for classes 8th to 12th. This multi exercise booklet, designed according to the JEE syllabus, features a variety of conceptual, tricky and brainstorming questions. The booklet also includes questions from the past ten years of JEE-Main & Advanced exams, covering all potential problems on the topics that may appear in upcoming examinations.

DOUBT CLEARING AND PROBLEM SOLVING SESSIONS

These sessions are scheduled separately in the timetable as per students' requests. Students are free to meet the faculty members to clear doubts and address other study-related queries.

CLASS ROOM TEACHING

Our lectures are designed according to the Board Exam pattern, covering the depth of JEE-Main & Advanced syllabus for Rankers' Batch. In the Foundation Batches, lectures are delivered separately for Olympiads and School exams, effectively covering all the topics with practice tests.

CLASS ROOM QUESTIONS (CRQ)

Before entering the classroom, students are provided with a comprehensive list of questions to be addressed in the lecture. This helps them prepare mentally and creates awareness about the topics.

STUDY HOUR SESSIONS

We have introduced a unique and distinctive feature where aspirants are required to complete the assignments, tests & quizzes within the stipulated session. Students must submit all solutions during the same session, ensuring an immediate evaluation of their performance and quality of work.

*We don't strive to be
better than others;
We strive to be better
than our best.*

Why MRC

TIMELY COMPLETION OF COURSE

With our phase-wise course completion plan, we ensure that all topics are covered in time, allowing students ample time to prepare thoroughly for their respective exams.

REVISION PROGRAM

The revision program provides a quick and focused review of important topics, offering a comprehensive overview of the entire syllabus. Special chapter-wise tests are also conducted as part of the revision program.

TEST SERIES PROGRAM

MRC has designed test series programs for every subject, covering all the topics. The complete test series for classes 8th to 12th helps our students prepare and assess their potential for JEE-Main, Advanced, Board exams, Olympiads & School exams. Our test series includes various types of tests, allowing students to identify their strengths and weaknesses to improve their future performance.

- **JEE Mock Test Series** is based on an advanced pattern.
- **Reshuffling Test Series** is conducted two or more times a year for Foundation and Rankers' Batches to reorganize the batches according to the ranks obtained in these test series.
- **Agnipariksha Test Series** is a specially designed program conducted for each subject providing rigorous practice for multiple choice and integer-type questions.
- **JEE Ka Sikandar Test Series** is designed to boost students' scores in JEE-Main & Advanced exams.
- **Champions Test Series** is conducted after completing the syllabus to provide a final review and refine preparation for School and Board exams.
- **Arise Test Series** is an initial-level test series for Foundation and Rankers' Batches focusing on the topics currently being taught.

RESULT THROUGH SMS

Regular updates on students' performance are provided to their parents/wardens/guardians to ensure a comprehensive understanding of their progress.

INFRASTRUCTURE
